

CCC MOPS & MOMSnext
Guidelines and Procedures
2020-2021

We feel so blessed to be able to meet in person starting on September 14, 2020. In order to for us to meet in person we must follow the guidelines put in place by the state of California, Solano County, the City of Vacaville, and Covenant Community Church. While we are so excited to have this option, we must proceed safely! We will be enforcing these guidelines, so please take note before you show up for MOPS on Monday evenings.

1. BEFORE you enter the building please put your face covering on (i.e. mask, face shield, gaiter). This must remain on the entire duration of our MOPS meetings.
2. Once inside, please immediately sanitize your hands with the provided sanitizer. Once you have sanitized your hands a member of the leadership team will take your temperature.
3. Please be mindful of social distancing.
4. After our meeting is over we will sanitize our specific areas of use. Please use the provided hand sanitizer on your way out of the door to go home.
5. Bathroom use: the men's and women's restrooms will be available for use, however, only one person per bathroom only. There will only be one stall in use in each bathroom.
6. Please note: no communal food or drinks will be offered until further notice.
7. If for any reason you are not feeling well PLEASE STAY HOME!! This includes any flu like symptoms such as coughing, sneezing, and runny nose.

We are looking forward to a wonderful year together! Thank you for partnering with us to keep everyone safe, and healthy.

2020-2021 CCC MOPS & MOMSnext Leadership Team
