

Wave at a fire fighter!

SEPTEMBER IS FIREFIGHTER APPRECIATION MONTH

Firefighters are always there for us when we need them most. One way to show appreciation to firefighters is to give them a wave. Decorate one or two (or more!) hands with your imagination to really make this an extra special wave!

INSTRUCTIONS

- 1. Decorate the hand.** Use crayons, markers, finger paints or stickers to make it special.
- 2. Cut it out.** Have an adult help you cut out the hand along the dotted lines.
- 3. Show it off.** Display the hand in your car window or the front window of your house so the Firefighters will see you waving as they drive by.
