Dear Covenant Community Family,

Thank you for your extremely generous donation of school supplies and backpacks to our school. Your gift will enrich the education of each student at Foxboro Elementary School.

As we have shifted toward teaching the Common Core State Standards to prepare students for college and career success, schools throughout the state and country are developing lessons to deepen student learning in English, mathematics, science, and social studies. Your gift will allow our school to provide our teachers the resources they need in the classroom. Together, we are building our future leaders.

When communities, families, and schools collaborate, our students benefit. Once again, we are grateful for your involvement with the students at Foxboro Elementary School.

Sincerely,
